

Founded in 1974 and conveniently located in suburban Montreal, West Island College (WIC) is two schools under the same roof: a French school, offering an entirely French curriculum and an English School, offering a French immersion program. Both schools deliver an enriched curriculum and mother-tongue language courses and seamlessly coexist to offer the ultimate bilingual experience for students of all backgrounds. For over 40 years, we have been redefining the educational experience through innovative teaching methods delivered in a technology infused environment.

At WIC, we are committed to the pursuit of excellence, fostering a passion for knowledge and instilling fundamental values that empower our students to succeed in the ever-challenging environment of today and tomorrow.

We are currently seeking a qualified candidate for the following position:

**-Full-time Mathematics teacher
(Replacement during a one-year sabbatical leave, beginning in August 2019)**
